Renewal Notification Letter

NDEE Title 119, Chapter 5, 003, states that all permittees with a currently effective permit shall submit a new application at least 180 days before the expiration date of the existing permit.

The above referenced permit expires: June 30, 2022

The application is due on or before: **December 31, 2021**

A Permit Application and Signatory Authorization Form can be found on our website: <http://dee.ne.gov> under the Publications and Forms tab/NPDES Program/Applications and Forms. Please include any additional information requested on the form.

Past applications and permits can also be viewed for your reference. To do this, go to our website: <http://dee.ne.gov>. Scroll to the bottom of this page and click on Public Records Search. Next, click on the words "Public Records Search" that are highlighted and underlined on that page. Nebraska Enterprise Content Management Portal will appear. Type in your Facility Number (this is the NDEE ID number found at the top of this letter. Type in PCS for the Program. Click on Search.

If there have been any significant changes in the treatment facility or in the flow received, this may require a change in the permit. Please note these changes on the application in the space for Additional Information. If required, please include the pollutant scan with the submittal of your application.

PLEASE NOTE: Only the certifying/cognizant official can sign the Permit Application and the Signatory Authorization Form. For more information, refer to NDEE Title 119, Chapter 13, on our web site: <http://dee.ne.gov> under Laws/Regs & EQC, Rules & Regulations.

If you have any questions concerning the application, please contact me at kim.bubb@nebraska.gov.

Thank you,
